- Customers may call, mail in, or come in person for tickets.
- Payment for ticket sales may be by cash, check or credit card (MasterCard or Visa).
- The Box Office offers service via a fee of \$3 per each ticket sold and \$.75 for each complementary ticket produced for the presenting organization's use. This Box Office service fee should be included in the organization's customer ticket price.
- The Box Office also maintains access to tickets on-line through TicketLeap for those desiring this service. Your customers will incur a nominal charge to use this on-line convenience.
